Tiger '51

Dear "Charge",

I just don't know what to tell you, We three birds have been floating around together for 'Ni on 3 years. (Terrible thought isn't it). All I can say is "What haven't we done". Don't answer that. What we haven't done Einstein is yet to discover. Well at least we know how to have fun.

The 1951 Musical Review

We're in a musical mood this year so we hope that everyone else is in tune with us as we try to sing of another year at dear old E.H.S.

It takes all kinds of tunes to make up the song book of our year. We hope that only the gayest of them are familiar to you. We hope, too, that you will keep singing these songs with the class of 1951 in the years to come. Won't you join in the chorus with us?

"Hail! Hail! The Gang's All Here"

The Scenes are Many . . .

"Music To Remember"

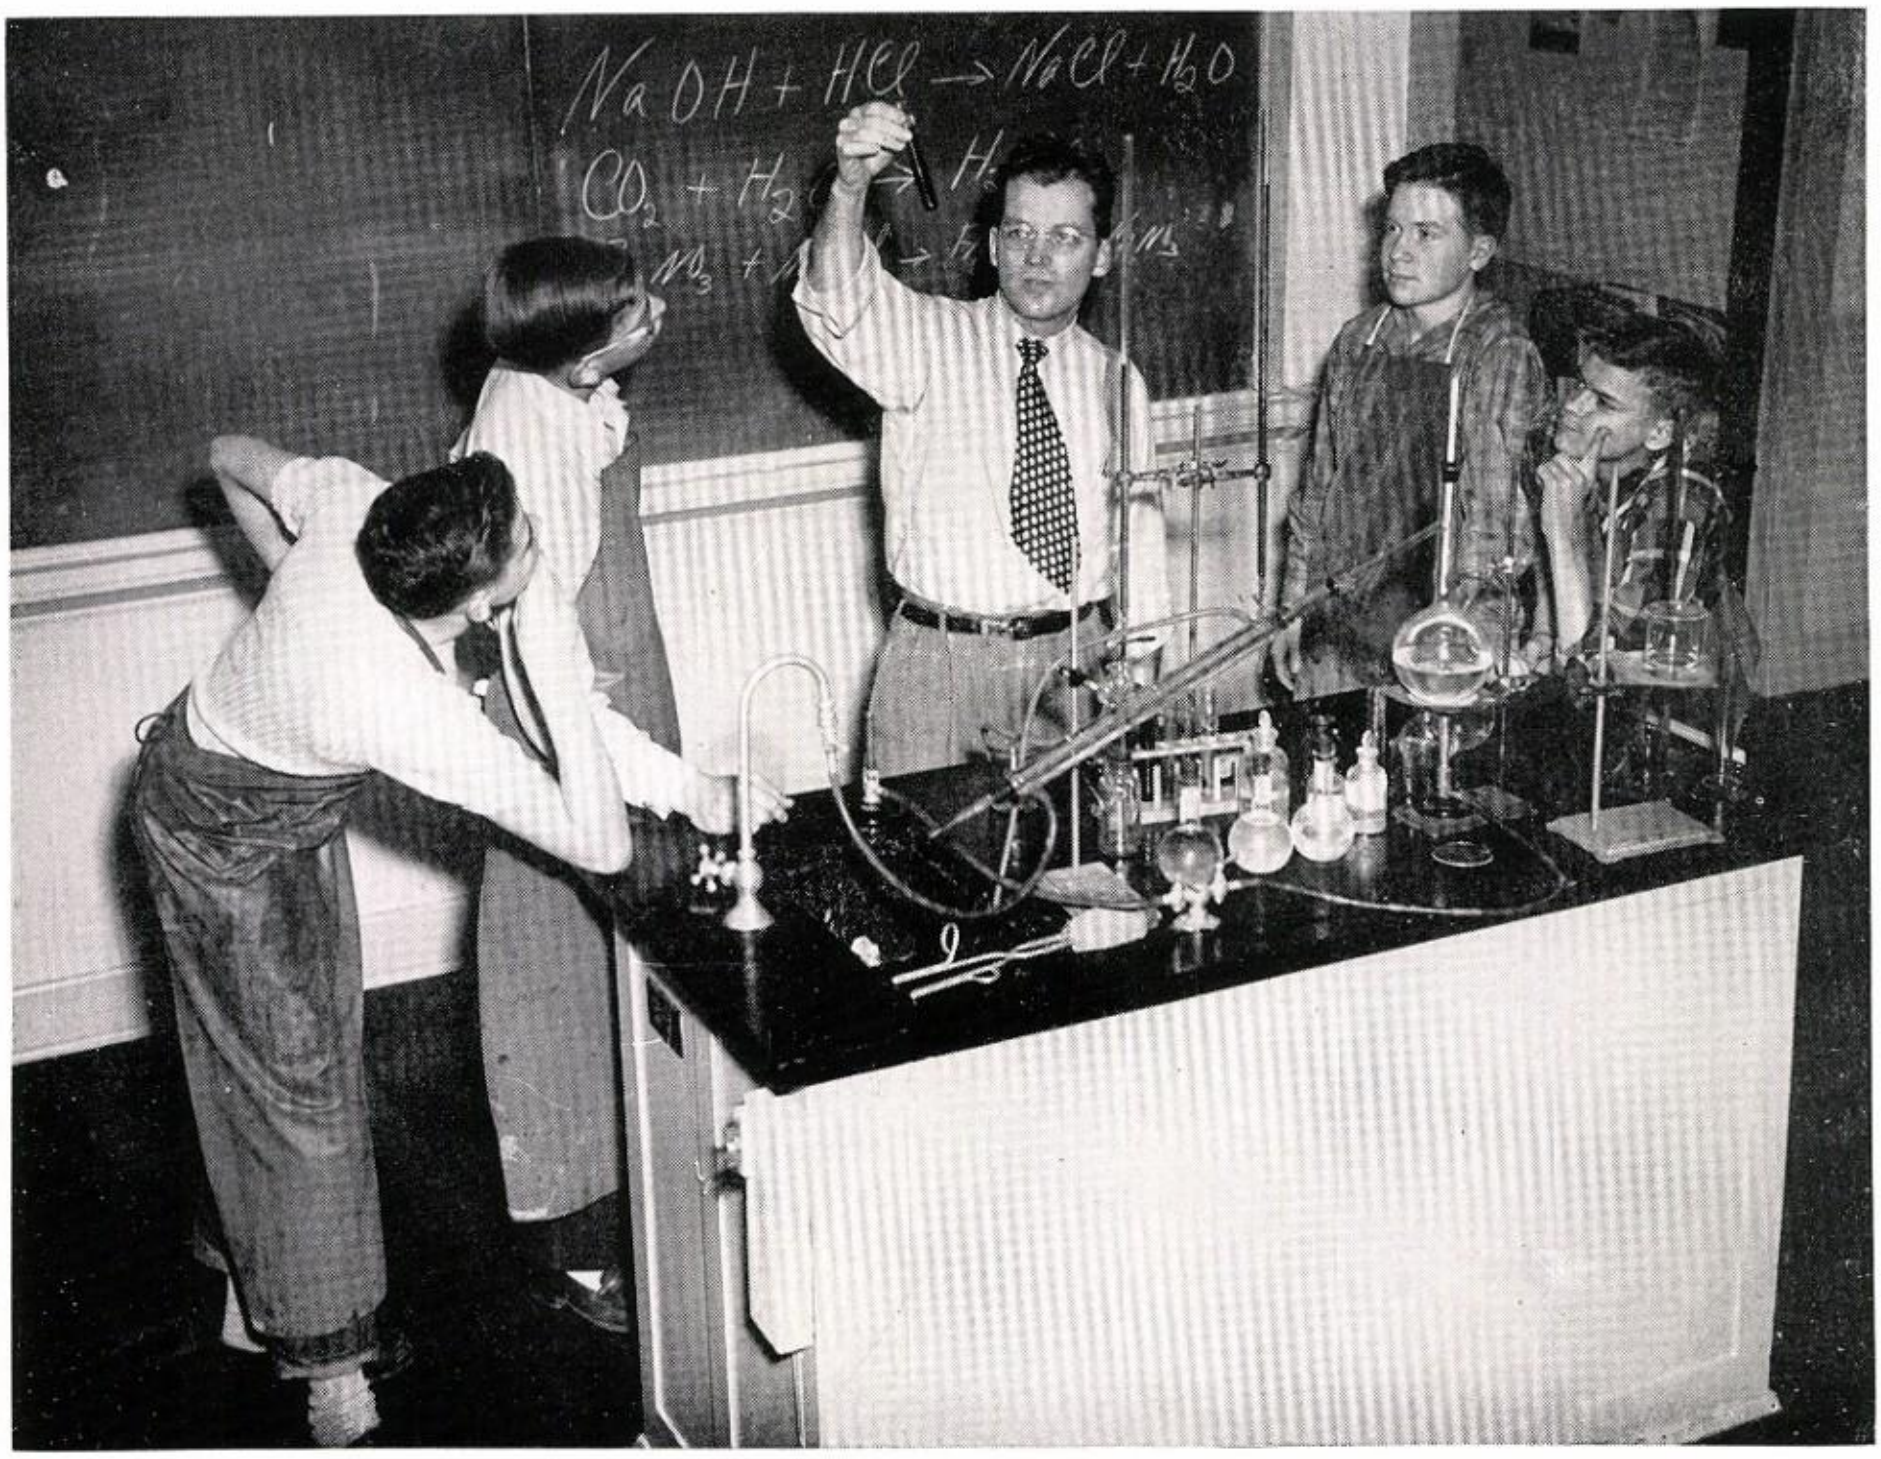
And the Roles are Varied

Some of the best music has come to us from the chorus, the a cappella choir, and the band. They have all been generous with their concerts and special programs. We know that they have spent much time and hard work to make our school more musical. We wish to thank Mr. George Briggs and Mr. Cleaon Etzkorn, the directors, for their untiring efforts with these organizations.

"When Day Is Done"

Off Stage the Cast Is Normal . . .

"Make A Miracle"



On Stage It's Normal Too

Even if we don't actually whistle while we work, we don't find our daily chores irksome. Our courses are varied and there are subjects for all lines of interest. Our laboratories are well equipped for our "budding Einsteins." All other departments are equally well organized to meet the needs of students with other tastes and talents.

"Marching Along Together"

The 1950-'51 EHS band consisted of 97 members. Each morning musical strains could be heard coming from the band room.

Music lovers enjoyed the band's two concerts and the marching music setting the rhythm in the Homecoming Parade. The band played in our assemblies and at the basketball and football games.

At the beginning of each new year, the band members elect new officers for the coming year. This year Clifford Hoppe was elected president, Bill Grinstead, vice president, Richard Kessmann, secretary, and Fred Washington, treasurer. These officers plan the social affairs for the band and discuss any trips that the band makes. Each spring a party is held for the band members and their friends.

The Tiger Staff

Every Tuesday, the sixth hour has meant an important year-book meeting to every staff member. It was especially at these meetings that all the problems and decisions were hashed and rehashed until our Tiger '51 was the final product.

All the staff members, including our sponsor, Mrs. Miller, will agree that it has been fun, with a lot of worry and work intermingled.

Some of the activities during the year are volley ball, basketball, softball, tennis, and bowling. The different sports are held twice a week. During the year the G. A. A. earns money by checking coats at the basketball games. There is a banquet in honor of the Seniors held at the end of the year.

Tiger Times

A very popular feature among the school's activities is the bi-weekly publication of the Tiger Times, the students' newspaper. The paper is noted for keeping the students well posted with information on all school functions. The members of the creative writing class publish the Tiger Times with Gerald Firnhaber as editor.

They also attended the FHA Rally in April of all the Chapters from this District. All the girls get acquainted and learn what other Chapters are doing.

"Make Believe"

At one time or another during the life of every teen-ager, he or she has the desire to become an actor or actress. This goal is achieved in the new Dramatics Club sponsored by Mrs. Crocker. The members stage skits and plays during the school year.

"In A Little Spanish Town"

The Spanish Club is one of the popular clubs in high school. Anyone who has had Spanish is eligible to join. The business meetings are conducted in Spanish with Don Gehrig presiding. The entertainment programs acquaint the students with Spanish customs.

The Science Club gives the students with scientific inclinations a chance to increase their knowledge and develop scientific thinking.

Participating in the District and State Science Fair as well as the Greater St. Louis Science Fair develops the scientific attitude of the student.

The greatest project of the Science Club is the annual High School Science Fair. This is produced entirely by the students with the administrative guidance from Miss Hunter and Mr. Loy, the sponsors of this organization. Through this fair, the industrious student can improve his business ability as well as his scientific ability.

"Hail to Thee . . ," Queen Genevieve

Elected by popular vote, Genevieve Engelke was the Senior girl to occupy the coveted throne and reign as Homecoming Queen. Her popularity with the students also won her the candidacy for the "Sweet Sixteen" election of Queen.

The Queen and her court were selected somewhat differently this year from formerly. The five girls receiving the highest number of Senior votes were the nominees for Queen, of which the entire student body voted for three. Clifford Hoppe was elected Royal Escort by the student body.

Special maids of honor were the other queen candidates, Janice Gordon and Beverly Orman. Miss Gordon was accompanied by Jack Butler, president of the student council, while Miss Orman's escort was Joe Foehrkalb, council vice-president.

The 1950 Homecoming Celebrations

Crowds lined the streets downtown to view the colorful annual high school parade which officially launched the 1950 E.H.S. Homecoming. The eighteen floats which comprised the parade were lead by the band. The Spanish Club float won a first prize of five dollars, which was donated by the Student Council. Their caption of "We'll Sleigh 'Em" brought cheers from the observers. The F.F.A. float won second place. The gala affair was climaxed with 500-600 students attending the Pep meeting and bonfire.

Senior Play

"Just For Tonight"

Picture three maiden aunts, the Adam sisters, who had lovingly but completely smothered Willoughby with attention and "protection" all of his sixteen years. It is apparent now that "Inner Willie" was a play that presented the woes of a boy suffering from too much mothering. He solved many of his problems by listening to the advice given him by his "inner self."

Junior Play

This delightful comedy given by our Junior Class is the laughter-filled story of a boy, Newton, whose father just can't understand him, and a girl whose mother understands her only too well. A conflict arises when the mother's former suitor arrives to claim her affections, and the neighborhood girls are disappointed in the son because of his social inability and passion for earthworms. When this interferes with his romantic interest in the prettiest girl in town, a conflict results to disrupt his father's romance with Nina and almost lands Newton in jail.

1950 Baseball

Our 1950 baseball team is not to be denied a place in the annals of sports in E.H.S. They pushed ahead this season to win second place in the Southwestern Conference by winning thirteen out of their fifteen games, losing only to Belleville and Granite City.

There are fourteen lettermen, six of whom will be with us again this season. They are: Don Gehrig, First Base; Don Helfer, Second Base; Ray Perry, Short Stop; Frank Head, Pitcher; Bob Scates, Left Field; Mike Newell, Right Field.

Our graduating lettermen who brought about such a successful season are: Carl Steinman, First Base; Ray Wheat, Third Base; Ray Clawson, Catcher; Bob Wheat and Richard Ridgeway, Pitchers; Jack Enloe, Center Field; and George Metcalf, Right Field.

1950 Tennis

For the second consecutive year the tennis team has gone undefeated. They went through the season winning all nine games played and were champions of the Southwestern Conference. Not satisfied with this, they kept rolling and won the District Tourney.

Two of the players, Danny Eilers and Henry Fredrickson, qualified for the State Tournament. Eilers won his first round, but was defeated in his second.

The team will lose four of its senior players this season, but it is hoped by Coach Miller that the underclassmen will keep up the record attained by them.

Row 1—Loren Buhr, Jerry Senn, Frank Radecke, Bruce Kirk, Don Grebel, John Autenrieb.
Row 2—Lloyd Dustmann, Arlyn Schwalb, Don Lexow, Paul Sternitzke, Pat Hosier.

Row 2—Albert Bayer, Joe Smoltz, Earl Whited, Sammy Von Brock, Jim Arnold, Clyde Spitze, Ross Rosenthal, Coach Harris.

1950 Track

Even though the track team didn't accomplish much this year in setting a record, they did have some outstanding runners. This season we will see seven returning lettermen taking to the cinders, and we hope they will give us an eventful season.

Last year we saw Hoppe, Smoltz, and David holding their own in the 100, 220, and 440, while Harris, Rosenthal, Drda, and De Sherlia made a good showing in the 880 and mile.

Our "long legs" of the team, Von Brock and Whited, gathered in a few points on the hurdles and high jump, while Spitze, with the discus, showed us what could be done with a little power.

Mr. Miller, Mr. Lucco, Mr. Harris, Mr. Hutton.

Coaches

Mr. Miller has done more than his part this year with his commendable coaching of the tennis team.

Mr. Lucco's years here have been more than fruitful for Edwardsville. This is proven only too well by the fine records set both in basketball and baseball.

Mr. Harris' able coaching and leadership are responsible for the marvelous record set by the football squad this year.

Mr. Hutton has been the indispensable third man this year, giving his time to help both football and basketball.

Tigers Go To State Tourney

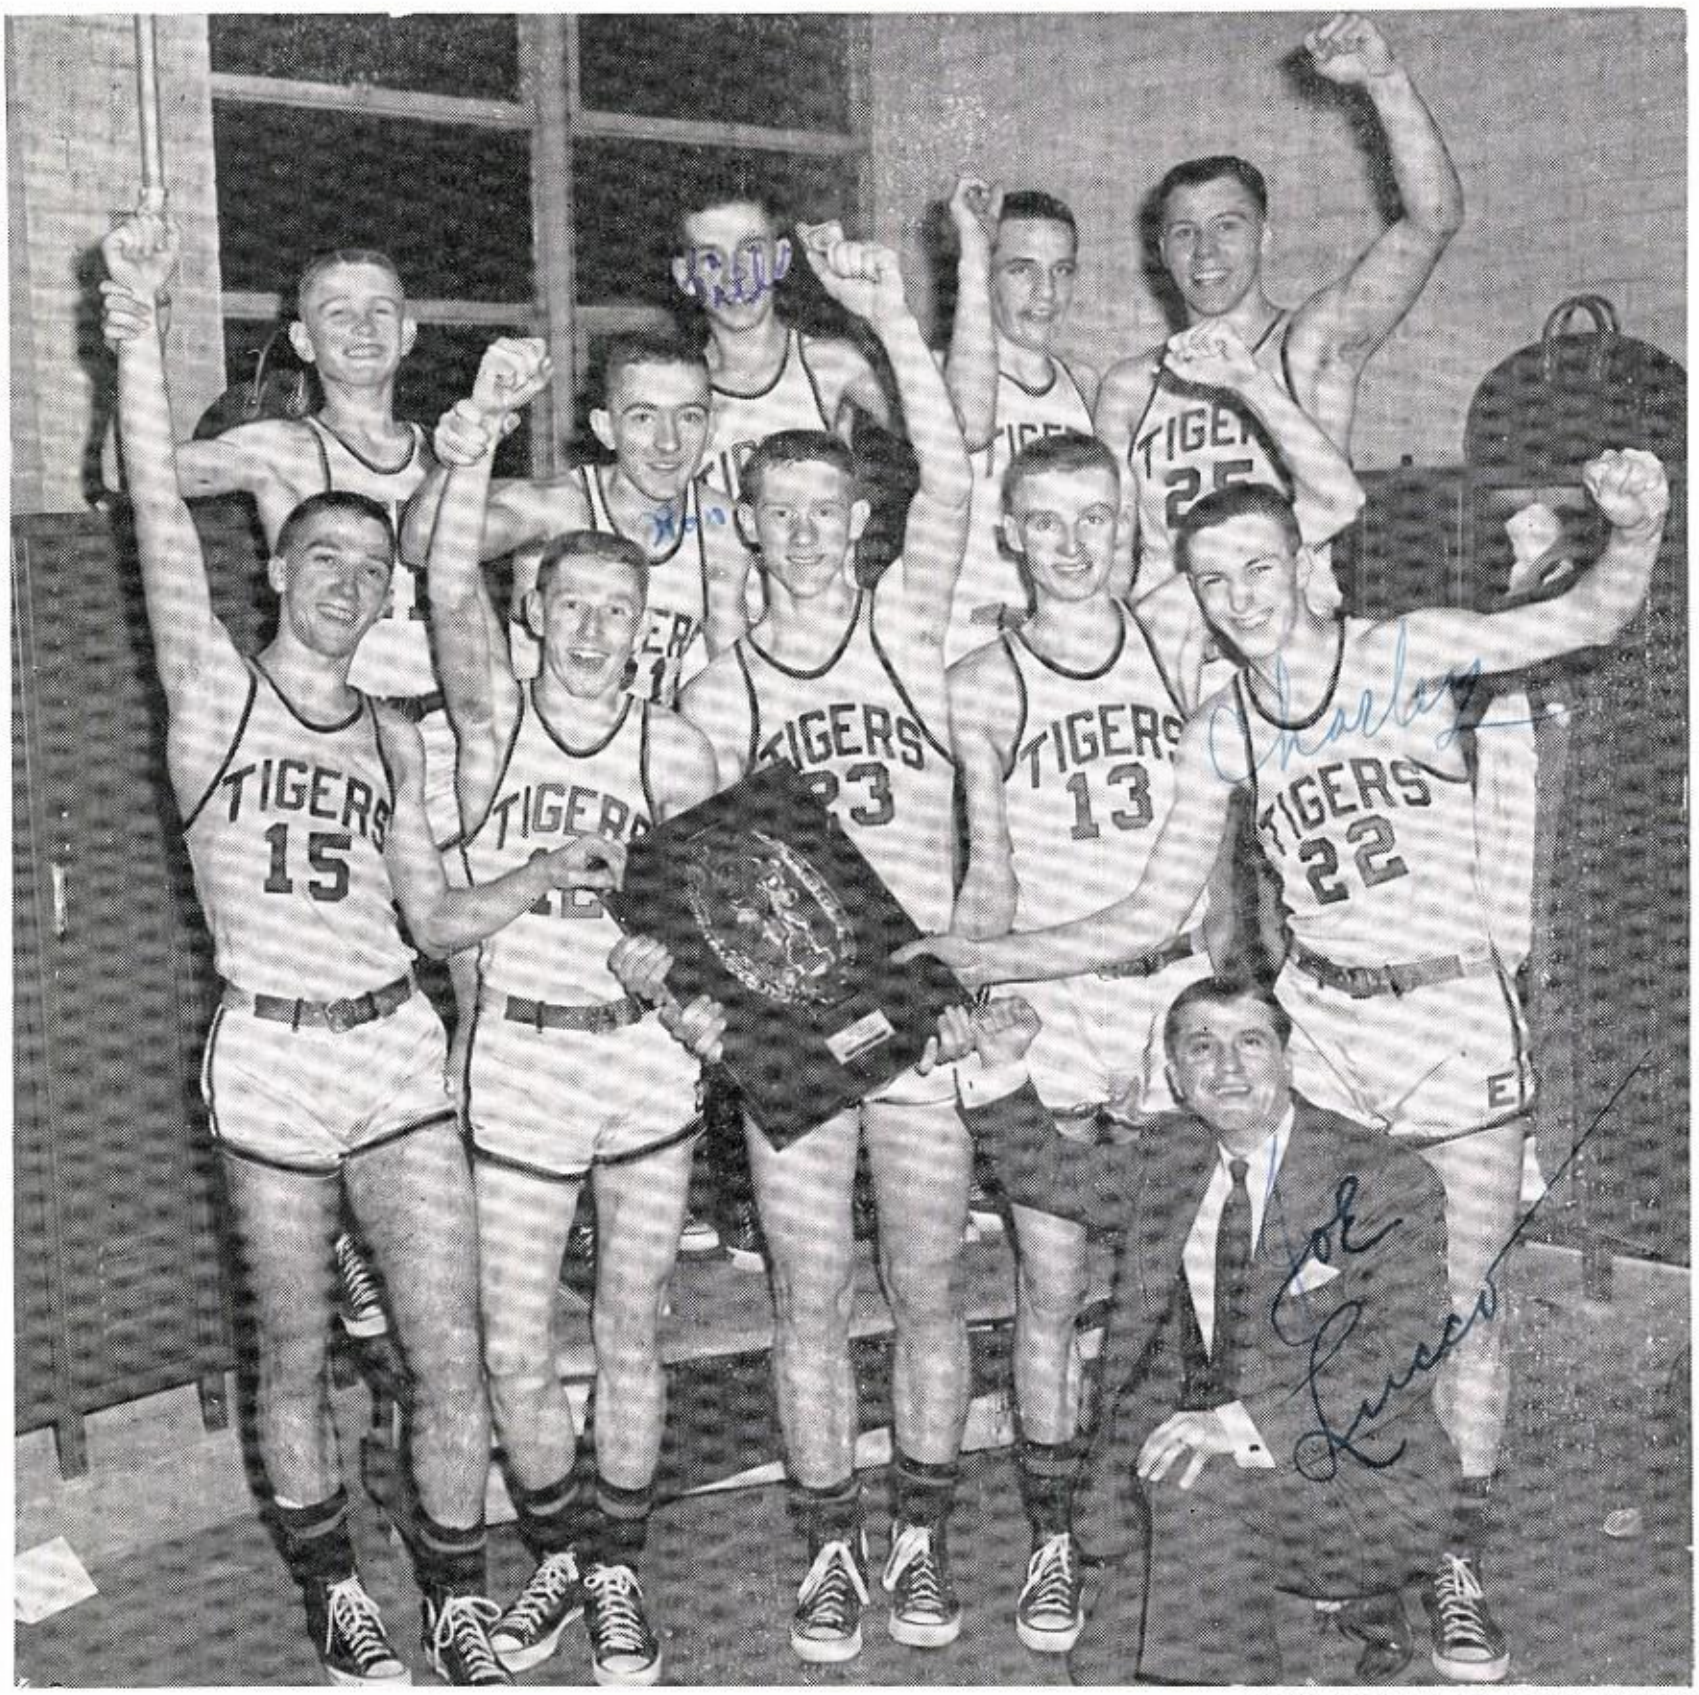

Photo by East St. Louis Journal

As we near the end of our Musical Revue, the curtain falls on the most successful basketball season that Edwardsville High can boast. The applause will resound loud and long as the students and faculty give their praise for a job well done.

After the regular season, the Tigers entered the regional tournament, which was held at Wood River. The Tigers emerged victors, after beating three tough teams—Granite City, Alton and Wood River.

Next came the sectional tourney at Collinsville. The Tigers couldn't be beaten. The state tournament wasn't far off! In the opening game, Edwardsville beat Highland. In the second game we played Gillespie, which was favored to win the tournament. The Tigers came through to win, and we were on our way to state for the first time in the history o Edwardsville High School! At last the Tigers were one of the "Sweet Sixteen."

For our first game in the state tournament, we played Freeport, which had been picked to wi state. The Tigers played a fine game, but Freepor beat us by three points. The Tigers made a good showing, however, for they came closer to beating the winning team than did any other team.

Going to state was quite a thrilling experience for the students and faculty, as well as for the team and we are very proud of them for making it possible

CHEERLEADERS

We were very fortunate this year in having not only a championship basketball team, but also outstanding cheerleaders. The cheerleaders for this year were Glenda Weber, Pat Keller, Dorothy Martin, Ann Trares, and Lucy Gillham. They have done a fine job of leading the yells and keeping the school spirit of fans and team members at its highest pitch.

Leota Piazzi, Sandra Lerch, and Ann Hosier also did a good job as second team cheerleaders.

Dear Georgia,

I could write a million things but I'll start like this.

Let's Have a Party. Gosh I sure remember all your parties. More fun + more people killed.

To Advertisers . . .

We of the "Tiger" staff wish to express our thanks and appreciation to THE ADVERTISERS for their fine co-operation and support in making it possible for the annual to be sold to the students at a reasonable price. Let's show our appreciation by patronizing these friends of the "Tiger."

Georgia,

Well what can I say? You've had a miserable, but yet Precious Ones when you get a little time. There isn't much we to tell you be beyond what I love you because We've been together. I just have pain. Look back and the rest of everything. Keep those panties flying. Lots of people enjoy them. I'm too tired to tell you how much I miss you, but I can't trust myself to start crying cause everything I'm reasoning while I'm Thank you for the Memories.

getting to know you has been an ambition of mine since my freshmen year. No fooling Georgia, this is no cook'd up sad story. I just hope we'll still be friends after you're "out in the world". I don't think I ever had such fun as I had at your !! parties !! Really they're tops and so are you! I mean it! I'd like to go to them all the time. Remember New Years and all those other times? Man - what memories. This all sounds so stupid & stiff but I hope you get what I mean anyway. Be good

Some screwball swiped the rest of my page. As I was saying I hope we can have some more gay times at S.I.U. We will have to get together this summer and have some more escapades. Some people have said that you and Nancy have been running around with me because of the car. So-o-o I ups and says to them that I didn't have to take you two around and I have fun doing it and that I never do anything I don't want to do or have fun doing. (longest sentence on record) You've been swell George and I'll never forget it. You helped me out of many a mess and I had quite a few. Good luck gal
